**RE:** FY 2006 Homeland Security Grant Workshop

The Office of Homeland Security will conduct a grant's workshop in your area regarding the FY 2006 Grant funds process. The purpose of the workshop is to award your jurisdiction funds in the form of grant awards for FY 2006 from the U.S. Department of Homeland Security, Office of Grants and Training. Please see attached for time and location of the workshop in your area. Workshop sessions will begin at 9:00 AM.

The FY 06 Homeland Security Grant Process was competitive for the State. The FY 07 process will be competitive for Mississippi. Furthermore, the State is going to require jurisdictions to compete for FY 07 funds. The FY 07 Homeland Security Competitive Grant process will be discussed at this workshop. If your jurisdiction is interested in competing for FY 07 Grant funding, you should plan to attend to the workshop in your area to better understand the grant requirements and the process to compete for FY 07 funds.

The attached document reflects the date and location of the workshop for your jurisdiction. If you have any questions, please contact Levell Blanchard at 601-346-1499.

Thank you for your cooperation,

Sincerely,
